#### HONORING BMC RACING

### HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 17, 2018*

Mr. THOMPSON of California. Mr. Speaker, I rise today to recognize BMC Racing for their success in the 2018 Tour de France.

BMC Racing is headquartered in Santa Rosa, California, in my district. Headed by former American cyclist Jim Ochowicz, who serves as President and team manager, the team sent six cyclists to the Tour this year, including Tejay van Garderen of Tacoma, Washington.

At the 2018 Tour de France, BMC proved its abilities once again at the highest levels of

competition in the cycling world. The team finished eighth overall in the 2018 Tour de France, emerged victorious in the Stage 3 Team Time Trial, and earned seven yellow jerseys—along with five stage victories. Individual team members also did well: Greg Van Avermaet stood in first place for eight consecutive stages, while Damiano Caruso finished in 20th place overall.

The BMC organization regularly trains in Santa Rosa and the wine country area. They are also active in the community. Their “Cycle with Champions” ride is done in conjunction with Team Swift, a local youth cycling organization, and many organization officials have ties to the Santa Rosa region. BMC has a history of producing champion cyclists, and once again displayed their resilience and dedication in 2018. At the finish line, Damiano Caruso summed up the overall morale of the team, saying, “At the end of three weeks, I can say that my experience was positive.”

Mr. Speaker, BMC Racing has deep roots in the Santa Rosa community, and continues to inspire generations of young cyclists. It is therefore fitting and proper that we honor the cyclists and owners on their accomplishment in this year’s Tour de France.
